Irregularity in the bowel movements makes you feel uncomfortable and leads to a constipated habit which is bad. Herbine is the remedy you need. It restores healthy regularity. Price, 50c. Sold by Hickman Drug Co.

Catarhal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the mucous surfaces. ONE HUNDRED DOLLARS for any case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE.

The DAY DREAMS of the OLD FOLKS AT CHRISTMAS

by Frank L. Stanton

Old folks, too, like Christmas; Grandfather, sitting there,
Feels and if he's forgotten 'cause he's in his chimney-chair;
He says he's thinkin' of the days that he no more will see,
When he was just a little boy—a Christmas boy—like me.

He listens to the fire—for it's always talkin' so,
And then it is he calls to mind his good times long ago
When the Christmas wind was whistlin' through the cold and frosty nights
And children dreamed of Christmas and watched for Christmas

He doesn't seem the children
For when he sits dreamin' wide
But mother—then right out and
For old folks hear they're dreamin

And then Grandmother and sits beside him
And puts her hand on his words he loves
She knows that he is dreams the same

So Christmas comes then they love
The children don't lived so long
An' they say the sweet things
Is a kiss on Christmas climb their chimneys

Buy Now and Save Money

Little Christmas trees which may be bought everywhere have been used in many homes for Christmas gifts. Here is one dressed up like a fairy with ruffles of ribbon for a skirt and her head adorned with a beaded wreath and veil. She stands in a small bag stuffed with cotton and gathered about her feet and is a dainty powder puff. Sewed to be that rests in a glass bowl.

The Home Beautiful.
A house which is well planned perfectly arranged and comfortable will be beautiful. Don't clutter your home with things which, though they may be useful or attractive to themselves, are things which no one uses or enjoys. Every one is able to afford expensive things, but if luxurious values for the walls, floors and upholstery are chosen, together with furniture selected for comfort rather than ornamentation, the home will be restful and attractive.

CARD OF THANKS.
We take this means of expressing our sincere appreciation to the large, charitable audience which attended the cake walk drill, Wednesday night and the United Churches. Our Church has been greatly benefited by the best sum realized.
Again, we thank you.
